Gentlemen :-

We are this morning in receipt of the proper blank for application for copyright on our "PHYSICAL EDUCATION SERIES" in Still Pictures on motion picture film.

Sample of this set went forth to you some weeks ago, together with a form J 1 application blank properly filled out and fee, which is being held under No. 37901 in your office.

©C.M. 3572 e

This series is in thirty rolls of pictures each with an explanatory title, which answers the purpose of a manual, therefore no syllabus or manual is accompanying this series. The pictures are all individual poses or still pictures for the purpose of instructing pupils in Physical Education. The pictures are to be thrown on the screen individually, and remain there according to the discretion of the instructor for any length of time.

Thanking you for giving this your immediate attention and returning the certificate to the above address as early as possible, we are

Very sincerely,

Visual Text Sales Company,

By *M. A. Hutton*

MH:H

P. S. Will you kindly send us four more cards form M 1 as we now have four more series to be copyrighted at once. Thanks. Would it be proper to copyright the manual and the pictures all in one application?  
V. T. S. Co.

This document is from the Library of Congress  
“Motion Picture Copyright Descriptions Collection,  
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
